BORROWER SPOTLIGHT

Opportunity Construction is a Black owned and led, for-profit employment social enterprise that specializes in highway and bridge construction. They provide valuable on-the-job training and opportunities to people overcoming barriers to employment, including those who have experienced incarceration.

A \$200k loan from RIIF supports the acquisition of two female-only sober living homes that, along with other rental properties in its portfolio, will house a minimum of 20 individuals employed with Opportunity Construction annually.

ADVANCING EQUITY

RIIF works to increase access to credit for POC- led companies and entrepreneurs who have experienced employment barriers. Their success helps other impact investors to see what we see: an untapped pool of eligible borrowers who are generating employment for an untapped pool of talent in this country.

At end 2021 47% of portfolio companies were BIPOC-led and 65% of our portfolio companies are led by people who themselves have experienced employment barriers.
